Please note that cash is not accepted on buses or trains!

The easiest way to pay for your ticket on the bus or train in the region is by using the app Skånetrafiken. On the city buses, you are also able to pay by card, provided that your card has a contactless paying option. If you prefer, there is also an alternative to buy a travel card. No matter which way you choose to pay, the price is the same.

Local Health Clinics

("vårdcentral")

In Sweden, every town is divided into different health care areas with local health clinics. Always call to make an appointment! Not all local health clinics offer the possibility to call back if you are calling from a non-Swedish number. Vårdcentralen Granen, situated on Grangatan 1, close to student housing, are able to call back.

They are open Mon-Fri 07.45 – 17.00 and can be reached by phone:
+46 40-623 42 00
