Pre-loved Furniture for Rent

What is Cohabit

Cohabit is a furniture rental startup developed by recent graduates of the Leadership for Sustainability master's programme at Malmö university.

Cohabit provides students a more convenient, cost-effective and sustainable option of furnishing their apartments during the semester.

The Cohabit Experience

Convenient

Cohabit offers a hassle-free service by delivering your choice of furniture right into your room and picks them up at the end of your rental period.

Cost-Effective

Our furniture can be rented for as low as 149 SEK per month, inclusive of delivery and cleaning fees.

Circular

Cohabit aims to promote circular consumption. All furniture from our inventory are sourced from the secondary market.

Clean

Before our furniture is delivered to our customers, it is quality checked, well-cleaned and sanitised.
